

Canine 911

“What do I do?”

A review of canine injury and illness for the active dog

Presented by:
Michelle Roche, DVM
Hosted by MAFCRC

Learn how to effectively gauge the severity of a problem.
Learn about common canine emergencies and basic first aid.
Learn how to safely handle scared and injured animals.

Date: May 17, 2020

Time: 9:00 – 11:00 AM

Location: Golden Rule School for Dogs, 23 Morris Sussex Tpke, Andover, NJ

Please bring a chair. As much as we love our dogs, this is an information session so please leave them home.

MAFCRC Members: \$30 Nonmembers: \$50

Dr. Roche is a veterinarian at Fredon Animal Hospital. She graduated from Cornell University School of Veterinary Medicine in 2009, and has been in small animal general practice ever since. She participates in a variety of dog sports with her two Rhodesian Ridgebacks and newly acquired Beagle puppy, all of whom assist with her lectures.

Return with payment to Amanda Sypniewski 10 Beechwood Rd, Belvidere, NJ 07823

Checks payable to MAFCRC
